Monday 22nd February 2021

Dear Parents/Carers,

Welcome to the start of Term 4, I hope that you had a lovely half term break.

For those families we are not able to physically welcome back to school this week, based on the initial announcements overnight, we are hopeful that we will be able to do so from Monday 8th March 2021. It will be great to see everyone back!

We will of course await further information from the Prime Minister's address to the nation this evening (and the subsequent advice from the Department for Education) and then write to you again by the end of the day on Wednesday.

Teachers are excited to see the wonderful remote learning that is being completed at home and will also look forward to seeing you all in the Virtual Catch Ups this week. All other arrangements for remote learning and Free School Meal hampers etc. remain unchanged. I am just crossing my fingers that two weeks from today, schools will re-open fully and run just like they did between September and December last year.

As always, please do not hesitate to contact us if there is anything that we can do to support you.

Take care and have a lovely week, I will be in touch in due course.

Best wishes,

Mr A. Meredith
