Friday 3rd September 2021

Dear Parents/Carers,

Welcome to Year 3

We hope you've had an enjoyable summer holiday and feel excited for the academic year ahead. Each term, we send you a letter to share with you what your child will be learning about in each subject. Next term, Year 3 will begin their 'Villages, Towns and Cities' area of study, with particular links to Geography. The children will learn to describe and understand key aspects of human geography as well as developing their knowledge of population.

In **Geography**, we'll be learning to:

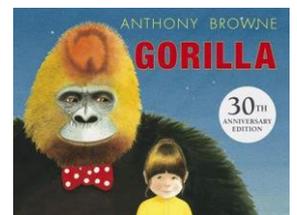

- Recall our knowledge from Year 2 to be able to name the 7 continents and 5 oceans of the world
- Name and locate counties and cities of the UK
- Identify the different types of settlements and explore their features
- Identify geographical regions, whilst recognising both their human and physical characteristics
- Begin to learn about key topographical features such as mountains, coasts and rivers
- Begin to compare different geographical regions, commenting on their similarities and differences

In **English**, the children's writing will be based on the genre of 'Creative Description,' where they will read the wonderful text 'Gorilla,' by Anthony Browne. In their **Whole Class Reading** sessions, the children will be studying magical novel 'The Nothing to See Here Hotel,' by Steven Butler and Steven Lenton.

When in **Maths**, the children will be learning how to count from 0 in multiples of 100, whilst finding 10 and 100 more or less than any given number. Additionally, your child will be recapping their understanding of Place Value from Year 2.

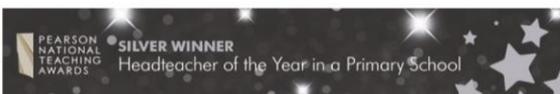

Finally, in **Science**, the children will be building on their prior learning of suitability of materials, by exploring and understanding 'Forces and Magnets'.

Learning at Home

In Year 3, the homework expectations include **reading at least three times a week** and **practicing a weekly set of spellings** using strategies learned in school. In addition, children will need to complete **one Curriculum task from their Home Learning Menu**. This task will allow the children to prepare for upcoming lessons and on occasions, they may find this task challenging but please be assured this will be explored further in school. **Home Learning Books must be in school every day** please and will be marked each Thursday.

Class Dojo will be available for Home Learning support and your child's Learning at Home Booklet and Home Learning Menu will be uploaded to the Class Story. Staff will only be able to answer questions related to Home Learning via Class Dojo. Children are welcome to upload pictures of their learning.

School Day Arrangement Update

- Year 3 may arrive at school between 8:30 – 8:55am. If your child is in 3EL, they can access the school through their external classroom door, whereas, children who are in 3TK will need to enter the building via the end door (by the stairwell). Unfortunately, Parents/Carers will be unable to stay for Early Morning Learning due to the increase in cases of Covid-19 in the Southwest. We will keep up to date with current situation and watch how things progress closely, until we are confident that we can welcome Parents/Carers back into site safely.
- Year 3 will be collected from the left-side of the playground (near the bike track) at 3.15pm each day.

PE this term will be on a **Thursday** for both 3EL and 3TK, therefore, please make sure your child has their PE kit with them on this day. Children are encouraged to bring their PE kit to school, as their session takes place in the afternoon. Due to lots of the sessions will take place outdoors so please ensure your child has appropriate PE kit and a water bottle should the weather be cold/wet or sunny/warm please.

We really look forward to seeing you and your children on Monday 6th September.

Best wishes,
Mrs. E Lenzner, Miss. T Knowles and Miss. L Mason
