Monday 4th September 2023

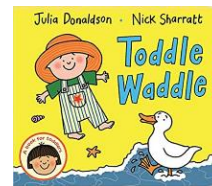

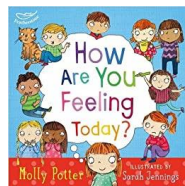

Dear Parents/Carers,

Welcome to Nursery

Welcome back! We hope you've had wonderful summer break and feel excited for the new academic year ahead. Each term, we will send you a letter to explain what your child will be learning about in each area of learning. This term, Nursery will begin their 'I Am Me' area of study. The children will learn about themselves, their families and what makes them so special! Throughout this term, we will introduce who we are and begin to make friends by exploring the classroom environment, talking to others and experiencing new and wonderful things.

Our key nursery rhyme this term will be 'If You're Happy and You Know It'. Additionally, we will have three core stories that we will focus on throughout the term. These will be; 'Love Makes A Family', 'How Are You Feeling Today?' and 'Toddle Waddle'. These fun stories link nicely with our area of study, I Am Me.

In **Literacy**, we will be beginning to look at environmental sounds and tuning into the noises we can hear around us, whilst also developing our love of books. In **Maths**, the children will be learning a range of concepts including number rhymes.

Learning at Home

For their Learning at Home each week, your child will have the option to complete a 'Learning Together at Home Activity' that will be uploaded to Tapestry every Friday. This will detail the learning that your child has participated in during the week and an activity for your child to complete based upon this. In addition to our Home Learning, we like to celebrate your child's successes, so please upload any WOW moments from home onto your child's online Tapestry journal.
