Friday 24th May 2024

Dear Parents/Carers,

Nursery – Term 6 – Curriculum Letter

As we come to the close of another term, we are delighted with the children’s commitment to enhancing their attitudes towards learning and have yet again been incredibly fortunate to see many children heading out on exciting trips and visits. Notably, our Bee Keeping club proudly showcased their skills at the Devon County Show, while our very own Mr. Meredith had the honor of representing us at the prestigious King's Garden Party. As we celebrate these achievements and bid farewell to another term, we extend our gratitude to you all for your continued support and look forward to what Term 6 has to offer

In Term 6, we will be beginning our new area of study ‘**Minibeasts Galore**’ whereby we will be taking a closer look at the wide variety of minibeasts that live in the wonderful world around us. During this term, we will have an up close and person experience of the life cycle of a butterfly as we watch little caterpillars turn into beautiful butterflies. Aswell as investigating minibeasts, we will be exploring how we have grown since the beginning of our Nursery journey and reflect on how we have changed and the achievements we have made.

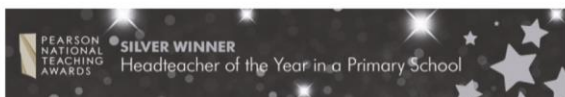

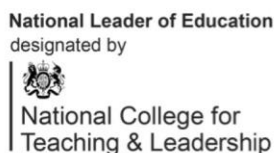

Our key nursery rhyme next term will be ‘**Incy Wincy Spider**’. Additionally, we will have three core stories that we will focus on throughout the term. These will be, ‘**The Very Hungry Caterpillar**’, ‘**The Bug Collector**,’ and ‘**Mad About Minibeasts**’. These exciting stories link to our area of study, ‘**Minibeasts Galore**’.

In **Literacy**, we will be continuing to explore our favourite stories and deepening our knowledge of how stories are structured. We will be retelling stories in our own words, using the pictures to help us and exploring the characters and their emotions. In **Maths**, the children will be exploring a range of mathematical concepts and numbers through rhyme.

Learning at Home

For their Learning at Home each week, your child will have the option to complete a ‘Learning Together at Home Activity’ that will be uploaded to Tapestry every Friday. This will detail the learning that your child has participated in during the week and an activity for your child to complete based upon this. In addition to our Home Learning, we like to celebrate your child’s successes, so please upload any WOW moments from home onto your child’s online Tapestry journal.

As the warmer months are upon us, please could we take this opportunity to remind you to ensure your child arrives to Nursery having had suncream applied at home. Should you wish for this to be topped up throughout the school day, children are welcome to bring in their own named bottle that can be kept in class. Please also ensure you child comes to school with a water bottle and sun hat.

We have lots to look forward to in Term 6 including Our Library Grand Opening, Outdoor Classroom Day, Sport's Day and new to 2024, our first ever, ECS FEST! Therefore, do keep an eye on our school Facebook Page and your Xpression inboxes. We look forward to seeing the children back on **Wednesday 5th** ready for Term 6.

Have a wonderful half term break.

Best wishes,
Mrs. Giddy and the Nursery Team
