- Practising weekly spellings.
- Completing a creative task from the Home Learning Menu.

PE

- PE Lessons will be on a **Wednesday** for Year 6.
- Please make sure your child is wearing School PE Kit.

Year 6: Term 1 Jigsaw

What am I going to be learning during the Being Me in My World topic of PSHE in Year 6?

My Year Ahead

I will identify my goals for this year.

I will learn to understand my fears and worries about the future and learn how to express them.

I feel welcome and valued and know how to make others feel the same.

Being a Global Citizen

I know that there are universal rights for all children but will learn that for many children these rights are not met.

I will recognise my own wants and needs and will compare these with children in different communities.

Being a Global Citizen

I understand that my actions affect other people locally and globally.

I will learn about how I will learn about how my own wants and needs and can compare these with children in different communities.

The Learning Charter

I will make choices about my own behaviour because I understand how rewards and consequences feel.

I will also learn how these relate to my rights and responsibilities.

I will recognise that my actions affect myself and others; I care about other people's feelings and will empathise with them.

Our Learning Charter

I will understand how an individual's behaviour can impact on a group.

I will contribute to the group and understand how we can function best as a whole.

Owning our Learning Charter

I will explore how democracy and having a voice benefits the school community.

I will learn about why our school community benefits from a Learning Charter and how I can help others to follow it by modelling it
