Year 3: Term 5 Jigsaw

What am I going to be learning during the Relationships topic of PSHE in Year 3?

Family Roles and Responsibilities

I can identify the roles and responsibilities of each member of my family and can reflect on the expectations for males and females.

I can describe how taking some responsibility in my family makes me feel.

What is your role in the family?

Friendship

I can identify and put into practice some of the skills of friendship e.g. taking turns, being a good listener.

I know how to negotiate in conflict situations to try to find a win-win solution.

Keeping Myself Safe Online

I know and can use some strategies for keeping myself safe online.

I know who to ask for help if I am worried or concerned about anything online.

Being a Global Citizen 1

I understand how people around the world help and influence my life and that media doesn't always show complete information.

I can appreciate different cultures, and question stereotypes I might see in photos or information.

Being Global Citizen 2

I understand how my needs and rights are shared by children around the world and that everyone experiences difficult feelings sometimes.

I can empathise with children whose lives are different to mine and know who I can talk to when I need help.

Celebrating My Web of Relationships

I know how to express my appreciation to my friends and family. I enjoy being part of a family and friendship groups.
